

# The Adventures of Ann

By HAL COFFMAN

(Copyright, 1920, International Feature Service, Inc.)

The Mysterious Woman Broke Down and Sobbed and the Candlestick Fell to the Floor.

## CHAPTER 32.

Harwood was so astonished at the sudden action of the mysterious woman in throwing the wine in his face and then menacing him with the big silver candlestick that he sat still in his chair, his eyes opened wide with fear and the wine dripping from his face and hair.

## Three Dead In Riots In Ireland

LONDON, Nov. 13. (By International News Service.)—Ireland has passed through another week-end of violence. Two of the British policemen wounded when a lorry with seven constables was ambushed at Jervislane, near Tipperary, Saturday, are dead. The Irish office announced today. The office also announced that a policeman who was attacked and wounded at Ballybrack is dead.

## DOCKS CONGESTED.

WASHINGTON, Nov. 13.—Congestion at the docks at Havana, Cuba, is rapidly increasing because of the inability of importers to pay duties, said advisers received today by the department of commerce. The condition is ascribed to circumstances growing out of the moratorium.

## DENIES REPORTS.

TOKIO, Nov. 13.—Capt. Nomura, aide to the minister of the navy, speaking in the name of the minister, said every report that Japan was fortifying or planning to fortify and establish bases in the mandated Pacific Islands is wholly and completely false, according to the Kokusaikan agency.

## ILLINOIS MAN GAINS 30 POUNDS

Enjoys Good Health for First Time in Twenty-five Years. Praises Tanlac.

"Since I started taking Tanlac I have not only gained thirty pounds in weight, but for the first time in twenty-five years I am enjoying good health," said J. J. Craig, of 421 North Madison street, Bloomington, Ill., recently.

"Yes, sir, I am fifty years of age," he continued, "and twenty-five of these years have been spent in misery and suffering without a let-up until I began taking Tanlac. I was never able to eat a thing without filling up with gas afterwards and having such intense cramping pains in my stomach I could hardly stand them. Why, at times I would have those spells of cramps while at work and have to be taken home, where I would lie for hours almost unconscious. I was all run down and weak, and would play out before I had worked half a day, and very often had to quit and go home. But, thanks to Tanlac, this is all a thing of the past now."

"Tanalac has simply made a new man of me, and it has given me good health, something I never expected to have again. I can sit down now, and eat anything without it hurting me the least bit. I am never troubled with gas and never have the least sign of a pain in my stomach. I feel strong and vigorous all the time, and am able to work every day and all day long with the greatest ease. No, sir, I wouldn't take all the money in Bloomington for what Tanlac has done for me, and I expect to praise it as long as I live."

Tanalac is sold by the leading druggists in every town.

"I Have Been Using Mentho-Laxene for a Number of Years."

The foregoing quotation is similar to scores of others, written by the most intelligent people throughout America. Mrs. H. R. Bartlett, Hopdale, Mass., writes in part: "I have been using Mentho-Laxene for a number of years, and find it the most effective cough remedy on the market; have recommended it to a number of others, etc." Ask yourself this question: "Would anyone use Mentho-Laxene for a number of years if it was not the most effective cough medicine on the market?" For colds, coughs, bronchitis, hoarseness, whooping cough, catarrh of the throat, difficult breathing, and even asthma, it is quite the most efficient, and cheapest good medicine anyone can find. It is pure and concentrated in 2½ oz. bottles with directions for making a full pint of cough syrup easily at home. It effects a saving of from two to three dollars—which is worth while in these days of high costs. Every bottle is guaranteed satisfactory by the makers. Your druggist has it or can get it from his jobber.

## Actors' Union Votes For "Equity Shop"

NEW YORK, Nov. 13.—Substitution of the "equity shop" for the "closed shop" in theatrical casts, meaning that union performers will not play alongside nonunion members of the profession, has been approved by 1,800 members of the Actors' Equity association. A referendum vote will be taken on the decision by the entire membership of the organization, John Emerson, its president, said. The action of the association, Mr. Emerson said, does not mean that the association intends to force the managers to employ organized union performers. "It does mean, however, that theatrical casts will be composed fully of union or of nonunion performers," he said.

## 48ERS TO RUN.

NEW YORK, Nov. 13.—With the prediction that the Republican party in 1924 will meet with a similar rebuff to that received by the Democrats in the recent election, J. A. H. Hopkins,

Your Satisfaction IS OUR Stamp of Approval

## BEATEN TO DEATH.

COPPER HILL, Tenn., Nov. 13. (By International News Service.)—Poul play

is suspected in the death of M. M. Williams, 50, found near here late yesterday. His body was badly bruised as if beaten with clubs.

# WARNING!

You Must Cut Down Your Gas Consumption

Due to enormous increase in the demand for gas there is very grave danger of the GAS PLANT of the Memphis Gas and Electric Co. being unable to supply the demand during the winter months which are now practically here. For this reason, and with the full approval of the local representative of the State Utilities Commission, we advise and insist that all gas consumers curtail their consumption. Give the matter personal attention at once. This is most important.

An average saving of only fifty feet per day per customer means to the plant the manufacture of ONE MILLION FEET per day less.

On the other hand, if the plant has to put out a MILLION FEET per day more than it is now doing, it will fail to function and everybody will be seriously inconvenienced by being entirely without gas.

To those who have applied for connections we will say that each application will be considered upon its merits, and where the lack of gas service would seem to work a very serious hardship on the applicant we will endeavor to, but will not guarantee, to take care of the situation.

We will make every effort to give satisfactory service, but can not maintain service if patrons increase their consumption, and we know that gas consumers when they once realize the gravity of the situation, will assist us by NOT USING GAS if it can possibly be done without.

A WORD TO THE WISE IS SUFFICIENT.

FRANK S. ELGIN,

J. F. RAMIER,

Memphis, Tenn., Nov. 13, 1920. Receivers Memphis Gas and Electric Co.

## Escaped an Operation

There is nothing in the world a woman so much fears as a surgical operation. Often they are necessary, but often not; and many have been avoided by the timely use of that good old-fashioned root and herb remedy Lydia E. Pinkham's Vegetable Compound. If you are suffering from some dread ailment peculiar to your sex, why not profit by the experience of these two women whose letters follow?

### These Two Women Saved from Operations.

Cedar Rapids, Ia.—"After the birth of my baby I had such painful spells they would unfit me entirely for my household. I suffered for months and the doctor said that my trouble was organic ulcers and I would have to have an operation. That was an awful thing to me, with a young baby and four other children, so one day I thought of Lydia E. Pinkham's Vegetable Compound and how it had helped me years before and I decided to try it again. I took five bottles of Vegetable Compound and used Lydia E. Pinkham's Sanative Wash and since then I have been a well woman, able to take care of my house and family without any trouble or a day's pain. I am ready and thankful to swear by your medicine any time. I am forty-four years old and have not had a day's illness of any kind for three years."—Mrs. H. KORNIG, 617 Ellis Blvd, Cedar Rapids, Iowa.

Sandusky, Ohio.—"After the birth of my baby I had organic trouble. My doctor said it was caused by too heavy lifting and I would have to have an operation. I would not consent to an operation and let it go for over a year, having my sister do my work for me as I was not able to walk. One day my aunt came to see me and told me about your medicine—said it cured her of the same thing. I took Lydia E. Pinkham's Vegetable Compound and used Lydia E. Pinkham's Sanative Wash and they have cured me. Now I do my own household, washing and ironing and sewing for my family and also do sewing for other people. I still take a bottle of Vegetable Compound every spring for a tonic. I recommend your medicine to others who have troubles similar to mine and you can use my letter if you wish."—Mrs. PAUL PAPERFUS, 1325 Stone St., Sandusky, Ohio.

Thousands of Such Letters Prove the Curative Value of
